Welcome

Welcome to Upper Swan Primary School. We hope your family has a long and happy association with our school. This information booklet has been produced to acquaint parents and caregivers with readily accessible information about the routines and requirements for Upper Swan Primary School. Information is also provided through the school website www.upperswanps.wa.edu.au.

School Motto and Logo

Our school motto is "Onwards". Our logo features a flying swan and the school colours of royal blue and red with white highlights.

Our Vision and Values

Upper Swan Primary School aims to enrich students' learning in a safe and supportive environment and develop the values of kindness, fairness, safety and honesty for our students to be responsible, confident and valued members of the community.

School Contact Details

Web: upperswanps.wa.edu.au

School History

Upper Swan Primary School acknowledge the area's significance to Australia's First Peoples. The school is in close proximity to the Derbarl Yerrigan and Yagan Memorial Park. We acknowledge our school is built on, and our students learn and play on, the traditional lands of the Whadjuk people. We pay our respects to the traditional custodians of this land and elders – past, present and future.

Over the school's more than 160-year history it has grown from servicing a small rural community to welcoming students from growing urban communities. Many families have multi-generational links to the school and are very proud of their Swan Valley heritage. Our sport factions Belhus, Loton, Shaw and Nolan acknowledge pioneer families from the earliest days of the Swan River Settlement.

The first school in Upper Swan opened in 1857 with 16 students. Over the next 30 years the school closed then re-opened several times. After 18 years with no school in the area, in 1905 Upper Swan opened once more with 20 students and has run continuously ever since. None of the existing buildings are original. Major school building programs occurred at our school in 1992, 2004 and 2010-11. The school now has modern facilities in most areas.

Over the last 20 years, increased residential development has resulted in the student population doubling in size to approximately 450. Over the next 10 years the Clementine Estate development is expected to impact on our school.

Our professional and caring staff provide contemporary and inclusive learning opportunities. The school also boasts a vibrant community spirit and a strong partnership between families and staff.

We are committed to building a quality relationship with you so that, together, we can ensure our school provides a happy and enriching experience for you and your child.

School Timetable

Kindergarten to Year 6

Doors Open	8:30am (the best time to arrive at school)	
School Starts	8:45am	
	<u>Year 1 to 6</u>	<u>Kindergarten and Pre-Primary</u>
Morning Break	Play 11:10am - 11:30am	Eating 11:10am – 11:25am
	Eating 11:30am - 11:45am	Play 11:25am – 11:45pm
Afternoon Break	1:35pm - 1:55pm	
School Ends	2:50pm	

School Term Dates

Information can be found on our school website or Department of Education website www.upperswanps.wa.edu.au OR www.education.wa.edu.au/future-term-dates

School Development Days

Throughout the year there are days set aside for the school staff to participate in professional and school development activities. Students do not attend on these days.

Please visit our school website for these dates www.upperswanps.wa.edu.au

Attendance

Morning Arrival Time

Families are reminded that children are **not to be dropped off at school prior to 8:15am**. Supervision is provided in the undercover area from 8:15am to 8:30am. At 8:30am the students are released to their classrooms to prepare for the day, which begins at 8:45am. The safety, health and well-being of your children may be at risk if they are unsupervised before 8:15am.

Camp Australia runs before school care on site. If you need to drop your children off before 8:15am, you need to make alternative arrangements, one of which could be signing your children up with Camp Australia.

Afternoon Pick Up Time

Students being 'picked up' from the 'Kiss and Drop' in the parent car park need to be collected by 3:10pm. School finishes at 2:50pm. If your children are here on a regular basis after 3:10pm you need to make alternative arrangements that may include signing them up for Camp Australia.

For children who are frequently left at school beyond 3:10pm the Principal has the option of informing other government agencies.

Late Arrival to School

Children are welcomed into the classroom at 8:30am. Students arriving at school late miss critical morning routines, engaging socially with peers, or learning activities. The school day begins at 8:45am and students will be recorded as late after 8:45am. **Should you arrive after 8:45am, students are required to go to the front office** and obtain a late pass to provide to the classroom teacher. Arrival times and reasons are recorded for all students arriving after 8:45am. Students who arrive after 9:30am are recorded as absent for the morning session.

Leaving School Early

The need for children to leave early should only happen in special circumstances such as to attend appointments or if there is a family emergency. Parents collecting their children during the school day are required to sign them out at the front office. A yellow pass will be provided to the parent, which needs to be presented to the teacher prior to the children being released from class. It is vital that when enrolling children, the names of all people authorised to collect children from school are listed on the enrolment form. To ensure the security of all children, you may be asked for identification at the time of pick up. In the interests of child protection, no child will be permitted to be picked up by an unauthorised person.

'Learning Journey'

Absences from School

It is compulsory for Pre-Primary and Primary school-aged children to attend school. There is an expectation that once Kindergarten students are enrolled, they will attend on a regular basis. In circumstances where this is not possible due to illness or appointments, a verbal or written explanation is required.

The explanation needs to include:

- The date of absence
- The reason for the absence
- If written, signed and dated by the parent

Full attendance is important as every day missed reduces your child's access to education. Extended absences and unexplained absences will be followed up in line with Department of Education Attendance Procedures.

How to contact the school regarding absences:

- Complete absentee form on Connect or school website www.upperswanps.wa.edu.au
- Write a note
- Email upperswan.ps@education.wa.edu.au
- Phone 9297 7050
- Speak to your child's teacher

Regular appointments should be scheduled outside of school hours wherever possible. Please do not organise tutoring during school hours.

Vacation During School Terms

We strongly discourage holidays during the school term. If you go on vacation during school terms, please advise the Principal in writing **in advance**. Vacations during school terms are recorded as an "unauthorized vacation".

Long Illness and Frequent Absences

Should your child have a long illness, please contact the school to discuss the type of support we may be able to offer you.

The days your child misses from school adds up...

If your child misses....	That equals....	Or...	From Kindy to year 12 that adds up to...	Which is the equivalent of attending until:	Attendance rate
1 day per fortnight	20 days per year	1 month per year	Nearly 1 ½ years	Part-way through year 11	90%
1 day per week	40 days per year	2 months per year	Over 2 ½ years	Part-way through year 10	80%
2 days per week	80 days per year	4 months per Year	Over 5 years	The end of year 7	60%
3 days per week	120 days per year	6 months per year	Nearly 8 years	The end of year 4	40%

Student Information

It is very important that the school has up to date contact information, especially when an emergency arises. Please inform the school of any changes to the following:

- Address
- Landline
- Mobile
- Email (this is especially important as Student Reports are emailed home)
- Work
- Emergency contacts

Change of Details Forms can be completed at the front office or changes emailed to upperswan.ps@education.wa.edu.au.

Use of Photos of Students

In order to comply with the Department of Education Information Privacy and Security Policy the school is requested to gain parental/guardian permission before using visual images of students or their work such as photographs and video outside the school environment (school website, Facebook page, in school publications, school year book). Children will only be identified by their first name. Please ensure that you have completed the permission form either at enrolment or on your child's first day. You are able to withdraw your consent at any time by contacting the school in writing.

Changing Schools

Parents of children changing schools are asked to advise the school as soon as possible of the intended new school via email so records library books and reading books, can be collected and accounted for.

Custody

The Principal is to be kept informed of custody arrangements. Copies of court orders must be lodged at the school office, and any changes must be communicated as soon as possible. The school can only act on the specific details communicated by the court order. However, it is not our responsibility to enforce court orders.

Communication Between Home and School

Our School and Parent Communication Policy is available on the school website upperswanps.wa.edu.au

Very early in the year you will be invited to meet your child's teacher who will discuss such matters as classroom policy, learning areas and behaviour management.

If you would like to discuss your child's progress with the class teacher, please make an appointment. Please understand, classroom teachers are not available for lengthy conversations at the beginning or end of the school day.

Newsletter and Notices

School newsletters are posted on Connect to keep you informed of what is happening at the school. Hard copies are available from the school front office and displayed on the school notice board outside the school office. Other notices between newsletters will be communicated by Connect.

Connect

Teachers and the Leadership Team use the Education Departments "Connect" system to send class and general school information about special events and learning programs. Student Progress Reports are also be sent out via Connect.

Facebook

Both the school and our P&C run Facebook pages to keep our community informed of events. If you are on Facebook and you would like to join these pages (groups) you will need to do the following. Please note Facebook does not replace Connect notices.

The school page is called *Upper Swan Primary School (Est 1905)*. **It is a closed group. You need to apply to join and answer three questions.** People asking to join are then checked by system administrators to ensure that they have a connection to the school.

The P&C page is called *Upper Swan Primary School P & C Association*. You only need to like the page in order to follow it.

Messages

At the class meeting at the beginning of the year, teachers will inform parents of the best way to contact them. Parents may forward messages to teachers in note form. Telephone messages to children during the school day should ONLY be requested on an EMERGENCY basis. Please ensure you discuss pick up arrangements with your child before school to save confusion and distress at the end of the day.

Assessments and Reporting

The progress of children is continuously assessed by teachers who use the results to plan for learning experiences.

Parents are advised of the teaching program and their child's progress in a number of ways throughout the year including:

- Class Information Sessions – conducted by teachers early in the school year.
- Case Conferences – conducted on a needs basis throughout the year with parents of children identified as at educational risk.
- Parent-Teacher Interviews – these can be conducted at your request or by teachers during the year.
- Learning Journey – school opens in the early evening. You attend with your children to look through their classroom and see the work they have been doing. (Term 3, date will be advised).
- Student Summative Reports – these are distributed at the end of Terms 2 and 4 via email and Connect (Kindergarten to Year 6).
- System reports – e.g. NAPLAN, On Entry Assessment (for applicable years).
- Parents are always welcome to make an appointment to discuss their child's progress with their teacher.

Learning Support

Associate Principals oversee Student Services which includes Students at Educational Risk and students with disabilities and learning difficulties. This may include liaison with parents, school psychologist, classroom teachers, education assistants, consulting teachers and, service providers and external agencies.

In partnership with teachers, the Associate Principal oversees processes and maintains a data base to ensure students with special needs are appropriately supported.

Student Health Information

If your child requires medication during school hours, you will need to complete a Medication Request form at the office before medication can be administered. The medication must be in the original packaging as provided by the pharmacy detailing the patient script information.

Health Conditions

Parents of students with particular medical conditions e.g. epilepsy, allergies, asthma will be required to provide a Health Care Plan for their child. Please speak with the reception staff regarding any medical conditions and allergies that may require a plan.

Allergies

Upper Swan Primary school is an allergy aware school. Please do not send food items with peanuts and traces of peanuts or nut products.

Allergy Policies are available on the school website upperswanps.wa.edu.au

Medical Emergencies

In case of a medical emergency children will be treated by the staff member on duty (within the limits of their expertise). Every effort will be made to contact parents however, if necessary an ambulance will be called. The ambulance service will invoice the family directly.

Minor Injuries

Students with minor injuries are given first aid and returned to class. If necessary, parents will be contacted.

Please ensure that all data relating to HEALTH, EMERGENCY CONTACTS and MEDICAL PRACTITIONER on your child's ENROLMENT CARD are up to date.

Sick Children

Children with colds, sore throats, coughs and ear infections are to be kept at home – even if they feel well and want to come to school. This will prevent infecting other children and staff and avoid your child becoming distressed unnecessarily. Infectious Diseases information can be found at <http://www.health.gov.au>

Sick children cannot be left unattended in the medical room.

- Parents or emergency listings will be contacted to collect the child
or
- The child will return to the classroom to be supervised by the teacher.

Head Lice

If your child gets head lice, do not be alarmed, as they are quite common in schools and are annoying but not harmful. Your child will come home with a form requiring treatment of head lice. This needs to be signed and returned with your child to show that treatment has commenced.

Children cannot return until treatment has commenced.

Head lice can be treated effectively following the 10-day hair conditioner treatment recommended by the Health Department of WA. Alternatively, a recommended insecticide shampoo or lotion can be used. All treatments must be followed by regular combing and removal of the eggs. Students cannot return to school until treated.

Toileting

Children should be fully toilet trained before commencing kindergarten. If toileting becomes an issue at school, your teacher will discuss with you the importance of training your child at home and may advise you to seek medical help from your GP, paediatrician or community health nurse, who have the expertise to assist you. A meeting may be arranged with a member of the administration team, school nurse and school psychologist if further support is needed.

Dental Therapy

The School Dental Service provides a free dental service for school children, commencing the year the child turns 5, and continuing through until the end of Year 11. Children are recalled periodically for examination and any necessary treatment. Each child will have their orthodontic situation assessed at each recall, but in particular, all newly enrolled children, Pre-Primary, Year 4, 7 and 10 will be screened by the dentist to ascertain any orthodontic problems, and the possible need for a referral. Parents are informed if such treatment is considered advisable. The service is located in the grounds of Middle Swan Primary School. Parents will be asked to fill in Dental History Sheets prior to their child/ren being seen.

If you have any enquiries, please phone 9250 7342.

School Nurse

The school nurse visits the school on a regular basis. A vision and hearing screening through the Government Health Service will be conducted in Kindergarten or if missed, followed up in Pre-Primary. Consent forms will be sent home for parents to complete prior to the screening. If you are concerned about your child's vision, hearing, growth or development and wish for your child to be assessed, please discuss this with the class teacher. A Referral to Community Nurse form then needs to be completed and signed by the Parent/Guardian prior to any health assessment. All services offered are free.

School Psychologist

A school psychologist works in partnership with our student services team. This service assists schools to improve outcomes for students through the application of Education Psychology Services to the academic, social, emotional and behavioural needs of children. Parental permission is required before any child can be referred.

School Chaplain

A school chaplain is available to provide non-religious pastoral care to students. You can request this service through your class teacher, or your child may be referred by the SAER team, with parent permission.

'Learning Journey Science'

'Provide every student with a pathway to a successful future'

Contributions and Charges

Students are entitled to participate in an educational program that satisfies the requirements of the Western Australian Curriculum and Assessment Outline. Principals, in consultation with their School Board, and in accordance with the School Education Act 1999, the School Education Regulations 2000, determine all contributions and charges requested of parents for the education of their children.

Contributions

A voluntary payment is requested from parents each year, to contribute to the cost of materials, services and facilities used by students in the educational program.

Financial support provided by parents has always played an enabling role in the provision of resources that extend the school's capacity to add value to students' learning experience. Whilst contributions are voluntary the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth Governments.

Charges for all Extra Cost Optional Components

Participation in these components is voluntary, but a charge is payable if the student opts to participate.

Payments can be made the following ways;

- EFTPOS
- Direct Deposit BSB: 306 041
 Account: 4194582
 Account Name: Upper Swan Primary School
 Description: Use student's full name & event e.g. **TOM SMITH, SWIMMING**

School Payments

Upper Swan Primary School is a cashless school. Our aim is to make processes convenient and simple, to reduce money handling and students losing coins, while ensuring faster transactions for our community. We aren't cash free but cash-less. This means Excursions, Incursions and any other student activity requiring payment, will be paid via Direct Deposit (preferred payment option) or Eftpos. Please also ensure all payments are paid in full before the due date.

Online Consent Forms

In line with our Waste Wise program to reduce environmental impact, we use online consent forms. This process provides an instant response and will not require students to collect and hand in forms. This process is more convenient, smooth, efficient and mobile friendly. The added benefit of knowing the form has been given to the school is an additional bonus. Incursions and excursions with event details and Consent forms will be emailed to parents via Connect. Paper copies will also be available from the front office.

Personal Items Lists (Booklists)

These are issued each November for the following year. We endeavour to keep the cost to a minimum and some items can be carried forward from year to year, e.g. pencil cases. These items are essential for day-to-day classroom learning and we ask that all children have them. Pencils and pens will need to be replaced during the year. Please ensure **all items are clearly labelled** with your child's name. We encourage student's books to be covered.

General Information

Class Placement

Our school caters for children from Kindergarten through to Year 6. The number of classes we form and the amount of children in each class is determined by the funding our school receives. This funding is linked to the number of students we have. There are rules on the number of students allowed in various year levels. Class placement will be determined in the best interest of our students and in the best interest of our school operation.

The school's Class Placement Policy is available on the website upperswanps.wa.edu.au

School Uniform

Upper Swan Primary School has a dress code endorsed by the whole school community, which indicates all students are expected to wear the school's uniform.

School uniforms items are available for purchase online via Perm-A-Pleat Schoolwear, with the choice of collecting your order from the school or having it delivered to your preferred address for a flat rate of \$10 incl GST.

Online ordering and the Dress Code Policy is available on the website upperswanps.wa.edu.au

Upper Swan Primary School has a **No Hat. No Sun.** policy. All hats must be Sun Smart. They can be bucket, broad brimmed or legionnaire style. Hats are required to be worn all year round for outdoor play. Please note the front office does not keep a supply of spare hats. Other hats or beanies should not be worn.

Please label your child's clothing including hats.

Students are expected to wear appropriate footwear for Physical Education lessons and sport activities.

Lunch and Recess

Please provide a nutritious lunch and recess snack for your child. When packing a lunchbox for your child, you should feel confident that you're providing them with a nutritious supply of food that will get them through the day with the energy they need to function.

Which may include:

- **Main lunch item** - a sandwich, roll, wrap or salad based on grains such as pasta, rice or quinoa.
- **Nutritious snack** – choose a snack from the five food groups such as a cold chicken drumstick, crackers with cheese, veggie sticks and hummus, or yoghurt
- **Piece of fresh fruit** – whatever is in season.
- **Drink** – always include a water bottle.

Crunch and Sip®

Students are allowed to bring plain water to drink and fruit or vegetables into class to eat during Crunch and Sip® time. No processed foods are allowed for Crunch and Sip.

After Hours, Weekends and School Holidays

The school is out of bounds on school holidays, weekends and after hours. Parents and community members are asked to report any suspicious activity at the school to the School Watch Security 1800 177 777 or Police 131 444.

Walking and Cycling to School

It is recommended that children under 10 years of age should not walk or ride to school independently, as they cannot accurately judge traffic speed and distance.

- Cyclists must wear a helmet to and from school. **THIS IS THE LAW.**
This includes students who use scooters.
- Cyclists must walk their bikes once on school grounds.
- Riding of bikes on school grounds is strictly prohibited.
- Children on bikes must give way to pedestrians at all times.
- Children walking to school are requested to keep to the footpaths at all times.
- Pedestrians are not to take shortcuts through the staff car park or other parking areas. This is for their safety and to avoid collisions with vehicles.
- Encourage children to look RIGHT, LEFT, and then RIGHT again before crossing a road.

Bicycles, Scooters, Skateboards and Rollerblades

Students are **NOT** permitted to bring skateboards, rollerblades and toys to school. This policy has been established for safety reasons and to prevent theft and damage of personal property. No child may play near the bike rack area or is permitted to borrow another student's bike.

School Bus

Transperth Bus Services are available to and from Upper Swan Primary School. For more details, visit the Transperth website.

Student behaviour on buses servicing the school, are the jurisdiction of the company providing the service.

Upper Swan Primary School Bus Service is provided to Parkerville, Brigadoon and Millendon areas. Parents are required to apply for this service by phoning 9326 2578. We expect Upper Swan students behave in an appropriate and safe manner when on the bus.

Parking Safety

To reduce the risk of incidents around our school all parents are encouraged to adhere to the following guidelines. It is also important other people who may take your child to and from school (e.g. grandparents or babysitters) are made aware of this information.

- Always drive slowly and watch for children
- Be courteous and patient with other road users
- Great Northern Highway is **60km** per hour speed limit outside the school on school days between 7:30am-9:00am and 2:20pm-4:00pm. The Slip Way is **15km** per hour and Carpark is **10km** per hour at all times.
Motorists who fail to obey the speed limits at the times shown may face a fine
- Parents with an ACROD permit can access all disabled parking bays
An infringement notice can be issued by Council Rangers for incorrect use of these bays.
- Parking is prohibited in the Staff Car Park and designated bus bays
- U-Turns are unsafe where children are walking and cycling
- No parking in driveways, on footpaths or verges
- Do not double park
- Take particular care when reversing

Kiss-n-Drop and Parent Parking

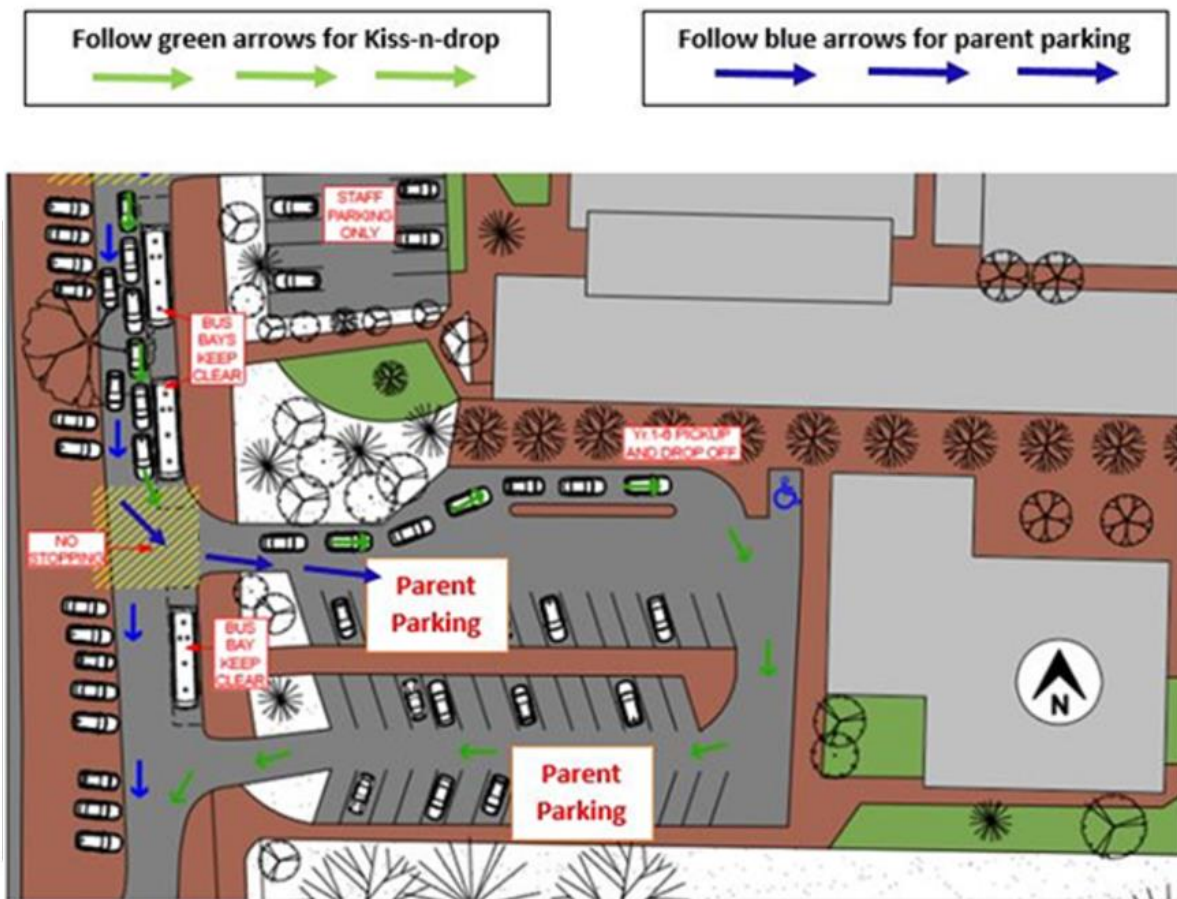

Please remember to be safe and patient during the morning drop-off and afternoon collection times. If you are using the kiss-n-drop please do not stop in the gate entrance area as this blocks the pathway for parents wanting to park (see the yellow shaded area on the below image).

Please follow the map below to ensure that we have three lanes outside the school:

- Bus lane – to be kept clear for bus use only
- Green lane – for kiss-n-drop traffic only
- Blue lane – for parents who are parking

These three lanes and keeping the entrance to the school clear from kiss-n-drop traffic will enable our parents to park and for traffic to continue to flow even with the queue waiting for kiss-n-drop.

Thank you for being kind to each other out there.

Homework

Please refer to the school's Homework Policy on the website upperswanps.wa.edu.au

Assemblies

Assemblies are conducted on a regular basis. The Student Council runs assemblies. Dates for assemblies are included on the school Connect calendar and the parent term planner.

Awards

Honour Awards and *Aussie of the Month awards* are awarded by a teacher to students in their class. Students will receive their award at assembly. Parents will be contacted by the classroom teacher before the assembly.

Birthdays

If your child would like to celebrate their birthday with the class, we encourage non-food items for sharing. If cupcakes are supplied, a list of ingredients needs to be handed to the teacher. Please discuss your plans with the teacher before you bake them as we need to ensure the ingredients are safe for all children. Lollies are a “red zone” food and not allowed at school. Please ensure the school is aware of any food allergies your child has. Please inform your classroom teacher if you **DO NOT WISH** your child to participate.

Pets

Parents are asked not to bring pets onto the property. The Ranger is advised of all dogs on school grounds. Dogs are not permitted on Education Department school grounds.

Accident Insurance

The school does not carry an insurance policy against accidents. While there are teachers on duty during recess and lunch breaks, on occasions, accidents do occur.

Excursions

Children are not permitted to attend school excursions without the written consent of parents. The school will provide details of the excursion, its link to the curriculum, the cost of the activity and a permission slip to enable parents to make an informed decision regarding their child’s participation. Students must wear full school uniform on excursions unless otherwise stipulated in correspondence sent home by the school.

Incursions

The school runs whole school incursions. These activities are included to complement the teaching and learning program.

Upcoming excursions and incursions are on the school Connect Calendar. The participation of a student in an excursion or incursion is conditional on payment of the costs by the due date.

Instrumental Music

Selected students in Years 5 and 6 are provided the opportunity to learn a musical instrument through the School of Instrumental Music (SIM). Musical aptitude tests are conducted to assist in the selection of students towards the end of Year 4.

P.E.A.C. (Primary Extension & Academic Challenge) / Early Years Extension

Special interest and extension classes are offered to students who are identified in Pre-Primary and in Year 4 through TOLA testing. Courses are run off-site and administered by the North Metropolitan Education Region. Parents will be notified in writing if their child is invited to participate in one of the off-site courses. Additional costs may apply.

Library

Each class is timetabled to attend the library weekly. This provides children with the opportunity to borrow books and develop information skills. Please encourage your child to return their books promptly each week and to use a suitable bag to protect the books. No books will be loaned without a bag. The school will request parents to pay for any books that are lost, damaged or destroyed so that we can purchase replacement books to maintain our collection.

Lost Property

A large amount of clothing and lunch containers are lost and unclaimed each year. Please label all property and clothing. The Lost Property Box located near the steps in the undercover area. Unclaimed items are donated to the Uniform Shop and local charitable organisations.

Mobile Phones

The Department of Education does not permit student use of mobile phones in public schools unless for a medical purpose.

All phone communication by parents or students during school hours must be done through the front office.

The school's Mobile Phone Policy is available on the website upperswanps.wa.edu.au

No Smoking

The Department of Education is committed to providing and maintaining safe and healthy working and learning environments for all staff, students and visitors. Parents and visitors are asked to adhere to the Department of Education policy prohibiting smoking on school grounds.

Smoking is not permitted in any Department of Education school premises, up to the boundaries within five metres of any Department grounds.

School Bag

We suggest a large carry bag or backpack that your child can manage easily. For Kindergarten students, we would prefer the children not to have the suitcase style bag as they are difficult for the children to manage.

Reading Resources

Parents are asked to ensure books are cared for and returned to school each day. The school will request that parents pay for any books that are lost, damaged or destroyed so that we can purchase replacement books to maintain our collection.

Student Leadership Program

Student leadership is an integral part of life at Upper Swan Primary School. Students of all ages are given the opportunity to be involved in making decisions, raising issues of concern and discussing solutions.

All Year 6 students are provided with experiences and opportunities to develop their potential.

Student Councils

Selected Year 6 students are appointed as a Student Councilor after an application process. Student Councillors meet once per week to raise and discuss issues, organise fundraising events, carry out various responsibilities throughout the school and to organise events, such as the Chess competition and school assemblies.

Swimming

In-term swimming lessons are conducted annually for Pre-Primary to Year 6 students. All students are encouraged to attend. There is no charge for instruction, but a fee is applied to cover the cost of bus transport and pool admission. School requests for specific lesson dates and times are considered but are ultimately determined by the in-term swimming provider.

The Faction (House) System

We have four factions at the school. Each faction has a colour and named in connection with historical significance in the district.

All students are placed in a faction on admission to the school. Whenever possible, students are placed in the same faction as other family members.

The four factions are:

Belhus – Green

Loton – Blue

Shaw – Gold

Nolan - Burgundy

Belhus Faction is so named because 'Belhus' was the property name of the Barrett Lennard family along West Swan Road (Belhus was also the name of their family home in Essex, England). The family purchased the property in 1897 and have long been associated with the area and the school.

Loton Faction has drawn its name from the Loton Family who purchased 'Belvoir' Estate from the Shaw family in 1874. The family donated the land the school is built on in 1905 and additional land for the ovals in 1960. Their association with the school has continued for over 100 years with Mr Harold Loton representing the family at the Centenary Ball in 2005.

Shaw Faction has been named for the Shaw family who settled the land around the school in 1829 and named it 'Belvoir', pronounced Beaver. They were very prominent members of the early settlement and their lives have been chronicled in the book "To Be Heirs Forever" by Dame Mary Durack.

Nolan Faction is named after the first European settlers who owned the land to the north of the school; between the school boundary and the Swan River. The first area post office was owned by the Nolan family and this was located on the left near the bridge. The logo represents the river, hills and trees that line the riverbanks.

Specialist Curriculum Areas

The school has specialist teachers in the curriculum areas of Science, Performing Arts, Visual Arts, Physical Education and Mandarin.

Upper Swan Primary School also encourages students to participate in our sports carnivals and inter-school activities. Students are expected to wear the correct uniform whilst attending these events.

Sport is an area of endeavor where parent help, as umpires and coaches is invaluable. You are invited to contact the physical education teacher if you have an area of expertise that you would like to share with us.

Students have the opportunity to audition for Drama Club and perform for the school as well as participate in district competitions.

Valuables/Toys

Children are discouraged from bringing toys to school. It is recommended children only bring this type of item to school under special circumstances and with prior arrangement with the class teacher for specific class activities.

Parents are advised that the school has a 'No Liability' stand on all items and valuables such as wristwatches, electronic equipment and toys that are lost or damaged, if brought to school.

Visitors to the School

All visitors to the school are required to sign in and out through the front office. An identification sticker will be issued clearly outlining you as a visitor and is required to be worn at all times while on the school grounds during school hours. This is a Department of Education requirement.

Working with Children Check Card is to be provided by anyone over the age of 18 who is not a parent of a student at the school. This includes all grandparents helping within the school community or classroom.

Please see the front office or visit the Working with Children website

<https://workingwithchildren.wa.gov.au> if you require further information.

An application can be obtained from an authorised Australia Post outlet.

School Board

The School Board is made up of elected parent members, community members, elected staff members and the Principal.

The School Board is formed with the fundamental purpose of enabling parents, staff and members of the community to engage in planning and school governance. While the Board has a significant role, it does not have input into the daily operations of the school.

Please visit the schools website for more information regarding the School Board and Board members upperswanps.wa.edu.au.

Code of Conduct

Please refer to the Code of Conduct for Parents/Carer and Other Visitors to School Policy on the school website. upperswanps.wa.edu.au

Complaints

The relationship between home and school plays a very important part in a child's education. This two-way communication is a critical factor in this partnership.

Parents are encouraged to contact the school to discuss any concerns, complaints, suggestions or compliments.

What can you do if you have a concern?

- Try to identify the issue clearly before contacting the school.
- Make an appointment to talk to the teacher.
- Contact an Associate Principal if the concern is not resolved through discussion with your child's teacher.
- Try to stay calm. Even if you don't feel it, being calm will help to get your concerns across more clearly than if you are upset or angry.
- Please refer to the process outlined in the Complaints Management brochure, available at the school office or website upperswanps.wa.edu.au.

Parents and Citizens Association Information

The P&C plays a vital role in promoting the interests of the school through:

- Cooperation between parents, teachers, students and members of the general community.
- Assisting in the provision of resources, facilities and amenities for the school or group of schools; and
- The fostering of community interest in educational matters.

It is also a good way to meet other parents. The P&C welcomes volunteers to assist in a variety of different ways.

Notice of meetings is given in the school calendar and fortnightly P&C Grapevine newsletter. Meetings are held at the school on a Tuesday, twice a term, at 7.00pm. The Annual General Meeting is held early in Term 1.

The P&C can be contacted via email to the President (uspspandcpresident@gmail.com) or Secretary (uspspandcsecretary@gmail.com). All parents are invited to become active members of our association.

Canteen

Upper Swan Primary School currently does not have an operational canteen.

Throughout the year the P&C offer different options including Subway and Icy Poles. Dates for lunch and recess days are included in the Grapevine and on the noticeboard. Order forms are sent home with students and available at the front office.

P&C Collection Box

The P&C has a secure box located outside the entrance to the front office. P&C payments and correspondence such as; lunch orders, book club, fundraising orders and payments, year book, orders and messages, can be placed in here. The box is cleared and left unlocked from 3:15pm to 8:15am each day.

Book Club

The P&C Association provides parents with the opportunity to expand their child's home library through Scholastic Book Club. Brochures are sent home detailing the books available for purchase.
