Exciting times ahead!

We have welcomed such a wonderful committee this year, who are full of enthusiasm and ideas and we can't wait to implement some changes.

We have been busy behind the scenes making plans for some upcoming events and are excited to share the following with you.

- **Easter Raffle** - Our annual Easter Raffle has always been a great success. Tickets will be coming home soon and we welcome your support. Further information is available on the attached flyer regarding prices and cut off dates.
- **Easter Raffle Donations** - One of the reasons our raffle is such a success is our school community is so generous with their donations. If you'd like to contribute to our hampers, we are looking for Easter eggs, books and craft items. Further information can be found on the attached flyer.
- **School Lunches** - We have found a new supplier for our school lunches and are pleased to announce 'School Lunch Online'. Although we still have a few things in the background to set up, our ordering page will soon be live. Please see the attached information flyer which should answer most (if not all of your questions). We are finalising our menu and can't wait to share the delicious and varied options with you. We are very, very excited!

Thank you again to all who participated in our recent Containers For Change drive. Our numbers were a little down this term, however we still collected a total of 1270 eligible containers, which in turn raised **\$127.20** for our P&C. The winning year group was **YEAR 5**.
Congratulations!

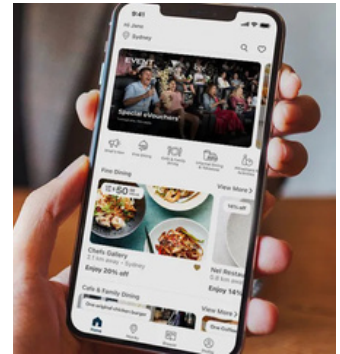

School uniforms are available online from Perm-A-Pleat. Please visit the school website to access the link - upperswanps.wa.edu.au

Do you have any insulated bags living in the back of your pantry that you never use? We'd love to take them off your hands to aid with the delivery of hot and cold lunches to classrooms when we commence our new School Lunch Online. If you can help us out, please drop them off at the office. Thank you!

We are excited to introduce a new online lunch ordering platform!

School Lunch Online is an Australian online platform designed to streamline the process of ordering school lunches and P&C Fundraising. It connects parents, schools and suppliers to ensure students receive healthy and tasty meals with minimal hassle.

Benefits to families

- An easy to use, flexible and secure online platform
- Plan, place and pay for orders online
- Healthy, tasty and cost effective lunch options with lots of variety on offer
- No minimum order or long term commitment
- No more paper orders or finding the correct change

Benefits to the school

- Absolutely no cost to the school
- No administration for collecting late orders or payments made to incorrect bank accounts
- Reduced time for admin team to scribe missed manual orders
- Direct involvement with menu options

Benefits for the P&C

- Enhances operational efficiency by reducing cash handling and streamlining order management, allowing the P&C to focus elsewhere
- Simplified distribution system via common labeling system

Frequency

- For the foreseeable future, we will continue with lunch orders once per fortnight.
- These will mostly fall on a Friday, with the occasional Thursday where there are conflicting events.
- Our first lunch day will be Thursday 10th April 2025.

Who is the Food Supplier?

- Theme Group is the registered supplier with School Lunches Online and are located in Malaga.
- All food is Halal.

Food Delivery

- Theme Group will deliver the lunches at 11.00am clearly labelled with names, classrooms and a colour code in food safe boxes for heat-safe food handling.
- Parents volunteers will be required to sort and distribute food orders from delivery truck into smaller classroom insulated boxes/bags to student helpers for lunch consumption at 11.30am.

Order Deadlines & Cancellation

- Orders will close at 2pm, two days prior to our order delivery. Orders for Friday lunches will therefore close at 2pm on Wednesday. After the orders have closed, they will not be refundable.
- In the event your child is absent or sick on a lunch day, you will have the option to collect it, pass onto a sibling or donate to another student who may be without.

Allergen Advice

- Theme Group is not a nut free facility however there will be no nut products in our menu. They work towards minimising the risk of cross contamination.

What if I can't set up an account and pay online?

- Although this is not our preferred method, the P&C will continue to cater for families who prefer to continue paper based orders.

How will lunch orders support your P&C?

- All orders will incur a \$0.25 fee payable to School Lunch Online. There will also be an additional \$1.00 per order which will go directly towards your P&C. These fees will be visible to parents for transparency.
- The P&C will receive a regular fundraising payment and remittance from School Lunch Online.
