## WHAT IS LOCAL MATTERS?

Local Matters is our way of giving back to the communities Grill'd is part of, right around Australia. Every month, each restaurant splits \$500 between three groups doing amazing work in the community —and that's where YOUR vote counts.

School Lunch Online is an Australian online platform designed to streamline the process of ordering school lunches and P&C Fundraising. It connects parents, schools and suppliers to ensure students receive healthy and tasty meals with minimal hassle.
