Giving back to our school

The P&C has had a very busy and successful 2025 and we can't wait to put that money back into our school.

Recently, the school made a decision to purchase some new Funky Monkey Bars for the junior play area. As part of our ongoing partnership, the school funded \$5000, with the P&C pledging a further \$5750 to help make it possible. A big thank you to Marina Harrington-Tighe for being a big driving force for this project.

We are also extremely grateful to Michelle Maynard MLA for her recent \$40,000 election commitment for upgrades to the ECE outdoor learning space. To complement this project, the P&C has pledged \$8340 to help complete the upgrades and make this a wonderful space for our little people all year round.

Thank you to everyone for your support. This wouldn't be possible without our awesome USPS families.
