WHAT'S BEEN HAPPENING

Week of 18th May

Monday – Mud Kitchens 🌱 🍷

This week, children had a fantastic time exploring our Mud Kitchen area, where they mixed, poured and created imaginative “recipes” using mud, water and natural materials. The activity encouraged creativity, teamwork and sensory play while giving children the opportunity to engage in messy outdoor fun. There were plenty of smiles and laughter as children proudly shared their creations with friends.

Tuesday – Nature Walk 🌿 🧑

On Tuesday, children enjoyed a relaxing nature walk around the school grounds, taking time to observe plants, trees and different natural textures along the way. The walk encouraged curiosity and conversation as children explored the outdoors and connected with nature. Many children loved collecting interesting leaves and spotting different things around the environment.

Wednesday – Mindful Colouring In 🎨 ✨

Wednesday provided a calm and creative atmosphere as children participated in mindful colouring activities. This relaxing experience gave children the chance to slow down, focus and express their creativity while socialising with friends. It was wonderful to see children enjoying some quiet time and proudly showing off their colourful designs.

Thursday – Balloon Rockets 🎈 🚀

Thursday was full of excitement with our Balloon Rockets activity! Children had fun creating and racing their own balloon-powered rockets while experimenting with different ideas and designs. The activity encouraged teamwork, creativity and problem-solving, with lots of cheering and laughter throughout the afternoon.

Friday – Pupil Free Day: Sip, Paint & Create 🎨 🍷

To finish the week, children enjoyed a special Pupil Free Day experience with our Sip, Paint & Create activity. Children relaxed with cold-pressed juice while painting their own canvas masterpieces and spending time with friends. It was a calm, creative and enjoyable way to end a fun-filled week at the service.

SOME FRIENDLY REMINDERS

Hats are a must!

We follow a “*no hat, no outdoor play*” policy to keep everyone sun safe. Please pack a hat each day so your child can enjoy all outdoor activities.

Water Bottles

Please ensure your child brings a labelled water bottle to stay hydrated throughout the afternoon.
