

## SPECIAL BOOK WEEK

### Newspaper Collage Creations 📰 ✂️ 🎨

We kicked off Book Week with a fun and collaborative group collage. Using newspaper cuttings, the children carefully picked out words and pieced them together to form quirky and imaginative sentences. The laughter and excitement filled the room as children proudly read out their unique creations, sparking giggles and inspiring each other's creativity.

### Mini Story Books 📖 ✏️ ⭐

The children became authors and illustrators for the day as they designed their very own mini books. With anime and K-pop as the main theme, their imaginations went wild! Beautiful, funny, and adventurous stories came to life on the pages. The sense of pride on their faces as they held their finished books was priceless – truly showing the power of storytelling.

### Book Week Parade 🎉 🎭 🦸

What a colourful and exciting day! Both staff and children dressed up in amazing costumes to join the school Book Week parade. From wizards to superheroes, and from anime characters to magical creatures, the creativity was outstanding. The parade was filled with smiles, laughter, and a strong sense of community spirit as we celebrated the love of books together.

### Sensory Story Settings 🎨 ✨ 🧐

The afternoon was full of discovery and adventure as we created sensory settings around books. "Taz: A Scary Book from Down Under" inspired a Tasmanian devil-themed experience that the children loved exploring. Later, we dived into the magical world of Harry Potter with an enchanting "I Spy" game and a black sand sensory tray, where children mixed spells and created magical adventures.

### Bookmark Making & Reading Fun 🎨 📖 📄

We ended our Book Week with a relaxing but creative day. The children designed their very own bookmarks, adding colourful patterns and personal touches. We played the ever-popular "Where's Wally" game, sparking excitement and laughter. The week finished with quiet, cosy reading time, as children curled up with books of their choice, ending Book Week on a calm and heart-warming note.
